Subject: THANK YOU FOR YOUR SUPPORT – NUTRITION PROGRAM.—

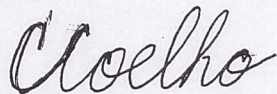

To the Hadden Family Foundation:

As a student of L'Amoreaux Collegiate Institute, who has enjoyed as well as volunteered at the breakfast program this year, I would like to take the opportunity to thank the Hadden Family Foundation for the grant in support of our Nutrition program.

On behalf of the other students, I would like to convey our sincere gratitude and also let you know that we thoroughly enjoyed the variety of healthy options that were served every day for breakfast. It not only made us all happy but also gave us the energy we needed through the day.

Please convey our thanks to the Hadden Family Foundation and let them know we really appreciated the support extended towards our nutrition program in school.

Yours truly,

Crisette Coelho

Nutrition program volunteer – Gr -10.
