

I know that it is late, but I wanted to pass on our thanks (Scarborough Village Public School) to the Hadden Family Foundation for their support again this year. It has made such a difference to the kids at our school. Morning Meal has become a huge part of the school day. Before I even make it to the kitchen I have students asking me what's for snack. The money from the Hadden Family Foundation means that we don't have to worry about whether we can afford to buy good quality ingredients to make nutritious snacks every morning. The students at Scarborough Village are really well fed! The teachers notice the difference in their classrooms and they know that if there is a hungry kid (regardless of the time of day) there will be something for them. We are running until the very last day of the school year and that has not always been the case.

As I say, I know that this letter is late, but I did want to express our gratitude to the Hadden Family Foundation for this incredible commitment to student nutrition in Scarborough.

Have a great summer.
